

# INTRODUCING ANTHI

**From:** Greece with English academic background

## **Experience:**

I hold a Bachelor's degree in Early Childhood Education and have over six years of experience working with children through babysitting, tutoring, and teaching. I've had the opportunity to live and work internationally—first in Sweden, where I completed my Master's degree in IT and Learning, and now in Germany, where I've worked in international environments and classrooms. These experiences have shaped my approach to education in dynamic and meaningful ways. Throughout my career, I've worked with children from diverse backgrounds and volunteered in programs supporting children from migrant communities in Greece—an experience that deepened my commitment to inclusive, child-centered learning.

## **Personal Message:**

I am thrilled to be working with your children and to contribute to their English learning journey! In my classes, I prioritize fun and creativity, creating an environment where learning feels exciting and joyful. At the same time, I ensure that every child is included, seen, and heard, understanding that each child has unique strengths and needs. My goal is to nurture a positive atmosphere where your child can build confidence, explore new ideas, and develop a love for learning.

**Birthday:** February 8th

## **My Favourite Things:**

**Food:** French Fries

**Story:** Green Eggs & Ham

**Movie:** Spirited Away

**Animal:** Wolf
