

INTRODUCING

CONSTANCE

From: South Africa
Birthday: December 28

Experience:

I am a highly motivated and adaptable teacher with years of experience. I am equipped to empower and engage learners to excel in English.

I am an educator by heart, with a Bachelor's degree in teaching. I also obtained my TEFL certification in 2020. I had the pleasure of teaching English to Primary School learners in the Northern Cape, where we went on various journeys reading through books. The curriculum also entailed learning grammar, poems, and the discovery of many new words. I look forward to going on a safari voyage with your child to learn

Personal Message:

Quote: "I am built upon the small things I do every day, and the end results are no more than a byproduct of that."

I believe that if we work hard on our everyday tasks, the puzzle pieces will just fall into place. I am looking forward to being part of your child's language puzzle.
