

INTRODUCING

KASVIA

From: South Africa

Birthday: July 10th

Experience:

I am a professional singer and performer with years of stage and cruise line experience. I have always loved working with children and helping them learn through play, imagination, and creativity. My background in performance gives me the confidence and energy to make lessons fun, but most importantly, I enjoy seeing children grow more curious and confident each day.

Personal Message:

Hi friends! In our English lessons we will sing, play games, and discover new words together. Sometimes learning a new language can feel tricky, but that's okay — every word you learn is a big achievement. I'm here to help you feel brave, have fun, and enjoy every step of the journey. I can't wait to learn and laugh with you!
